	WRAP1-H		Weaver rail for Rusan Q-R Pard NV007 adapter, height (9/17/25) mm <i>suitable for all Rusan Pard NV007 adapters except for ARPNV7-M2 (Leica Magnus adapter)</i>				
	WRAP2-H		Weaver rail for Rusan Q-R Pard NV007 adapter, <b>short</b> , height (9/17/25) mm <i>suitable for Rusan Pard NV007 adapters ARPNV7-M2 (Leica Magnus adapter) only</i>				

### Advantages over other NV007 clamp adapters:

- Quick-release function, fast put-on and take-down
- Soft material inside prevent damage of the riflescope housing
- Special tapes for different diameters of ocular included in package
- Guaranteed precision
- Can hold very strong calibers
- ORIGINAL and proven RUSAN design
